

GCSE Easter Revision Classes

Dear Parent / Carer,

As part of our raising achievement programme at Bushey Meads we are running a number of revision classes. Your child has been informed of the days and times of the sessions that apply to them and the Revision Timetable for Easter as well as After School Revision sessions are attached for your reference.

There will be no canteen services available and therefore any food must be brought with them for the session.

I hope your child will be able to attend as I believe it will significantly improve his / her chances of success.

Please ensure the slip is returned to the KS4 office before Friday 27th March 2015.

Yours sincerely

Mr L Arnold
Assistant Headteacher KS4
