

Reach for the Stars! Highly Able trip to Oxford University

Aspire to Achieve

Dates for the Diary

On Friday 6th November, 50 students from years 11 and 12 visited the city of Oxford for the day. The purpose of the trip was to raise student aspirations and realise that gaining a place at one of the world's top universities is a possibility. The day started with a tour from a guide who explained the history of Oxford University, discussed famous students and professors or "fellows" who attended Oxford, how you apply for a place and how you learn.

18th November

Senior Music Concert 7 - 9pm

20th November

Y12/13 Art & Language Trip – Barcelona

26th November

Y7 Parents Consultation Evening 4.30-7.30

1st December

Y13 Parents Consultation Evening 4.30-7.30

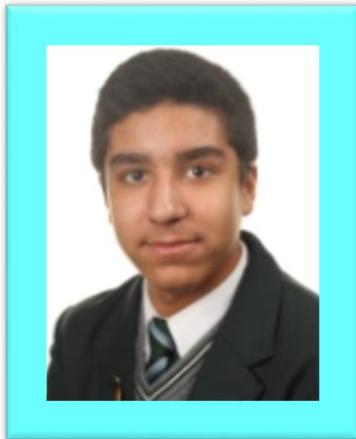

'I learnt a lot about the history of Oxford and enjoyed the visit to the museum.'

Following lunch we then visited the Pitt Rivers Museum, a museum of Natural History and Anthropology

STUDENTS OF THE WEEK

KEY STAGE 3

Yama – 9Ash

KS3 student of the week is Yama , for his outstanding contribution to the Bushey Meads Community. Yama is a shining example of a student who has embraced the Bushey Meads ethos and strives to do his best in his academic and extra curricular activities. Yama has volunteered his free time to help at many BMS events, including consultation evenings and performing arts events. Yama, you are an asset to Bushey Meads and we are very proud of you!

KEY STAGE 4

Vinija – 10 Beech

KS4 student of the week is Vinija for her consistent effort and enthusiasm across all her subjects. Vinija is hardworking, helpful and always approaches her subjects with a positive attitude. Miss Lee commented "Bushey Meads students should take inspiration from her dedication and hard work, as this will enable them to achieve their full potential". Well done, keep up the excellent work!

KEY STAGE 5

Elizabeth - 13Ash

Our KS5 student of the week this week is Elizabeth who is currently in Year 13. She has been awarded this for her fantastic start to year 13, her hard work, cheerful attitude and her contribution to the school community. Elizabeth is currently studying Biology, Geography and Mathematics.

Word of the Week (WOW) at Bushey Meads

Danielle Bowe - Lead Practitioner for English and Whole School Literacy

• **Español:**

ostentoso (*masc adj.*)

pronounced oss-ten-touh-soh

ostentosa (*fem adj.*)

pronounced oss-ten-touh-sah

Language is empowering

This week at Bushey Meads we are thinking about the word ostentatious. We have also launched with our WOW resources, the Spanish and French version of each weekly word. Try them out at home!

• **Français:**

ostentatoire (*adj.*)

pronounced oss-ton-ta-twar

Word of the Week 9.11.15

This word originates from the Latin word *ostentare*, meaning 'to display'.

Pronounce it: *Ost-en-tay-shus* adjective

Definition

- Intended to attract notice and impress others
- Marked by outward, often extravagant display.

No one really wants to be described as *ostentatious*, a word whose close relations include *pretentious*, *flamboyant* and *gaudy*. The definition of ostentatious is someone or something designed to get noticed or draw attention by being inappropriate, showy, vulgar and in bad taste. *An example of ostentatious is when someone buys huge diamonds and drives very expensive cars in order to just show off.* Or, perhaps a music artist's diamond-encrusted teeth might be an ostentatious display of wealth.

Other examples in sentences:

- 'Although the music producer gave regularly to charity, he was still criticised for his ostentatious and extravagant lifestyle.'
- 'The little girl's birthday party was an ostentatious affair with live ponies, a chocolate fountain, and a five-tier cake.'

Use it instead of: showy, pretentious, elaborate, brash, overdone, fancy, loud.

Challenge: use this word in a conversation, or piece of writing this week.

More Able at BMS – Getting into the top universities

by Helen Booth

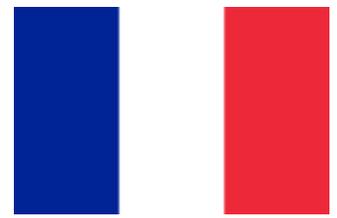

Recently a group of our more able students from years 10 and 12 attended a conference, aimed at giving them information and guidance about successfully applying to the top universities.

Students learnt about how to decide on a course, how to select the best university for them, tips on producing a good application and how to succeed at the interview. There was a talk from a professor from Oxford University about studying at the university and a very useful question and answer session. Students came away much more informed about this important process.

French pen pals write to BMS!

By Ms M.C Dawson, Head of MFL

This term Years 8 and 10 have been very lucky to have been given pen pal letters from our partner school, Anatole France, in Tours. Both year groups have sent letters back and Year 10 have cunningly used the preparation for their oral exam to ensure an excellent and informative letter to their pen pals. With luck, we will be able to meet up with our pen pals at some point!

Year 10 letters from France

Year 10 getting excited at their letters!

Year 8 writing a second letter

Year 8 will send this picture to their pen pals

Book Donations Needed

By Shirley Ellicott

Do you have any unwanted books you no longer need as we would like to support a local OAP sheltered housing organisation to fill their book shelf.

Due to cut backs, their library service has been stopped. The library service used to deliver a selection of books for the residents to borrow. Many of the residents enjoyed this service and were sad to see it go. Some residents have no transport of their own and so if they want to use the local library service they have to rely on taxis or public transport as it is too far to walk. Some residents are more house bound and so neither of these options are available to them.

If you have any books you no longer want, age appropriate and in good condition, they will be most appreciated.

There will be a box in the LRC for anyone wishing to donate.

Many Thanks.

Bushey Meads and Watford Harriers win Satellite Club Award

Mrs S Cooper – PE Teacher

Bushey Meads received some fantastic news this week. In conjunction with Watford Harriers athletics club we have been awarded:

Satellite Club of the year for the East of England.

This is a fantastic accolade for the school and testament to the hard work and enthusiasm of Bushey Meads students and Watford Harriers Athletics Club.

So what is a Satellite club? Set up through Sportivate and Sport England satellite clubs are funded through the local sports partnership with the aim of fostering links between local sports clubs and schools. Bushey Meads were given the opportunity to participate in the scheme through the support and funding of Helen Hopkins community sports officer for Hertsmere and Claudia Ratcliffe from the Herts Sports Partnership. Local athletics club Watford Harriers were approached and the Satellite club began in earnest last March.

How does the Satellite Club work? Students of all ages and abilities attend athletics coaching sessions at Bushey Meads on a weekly basis throughout the Summer term. The coaches provided by Harriers deliver exciting and challenging sessions that not only stimulate an interest in athletics and develop technique but also provide health promoting exercise and a link into club sport. The addition of regular visits from Olympic athlete Abi Oyepitan provides further insight into the life of a top athlete.

Throughout the sessions last year over 90 students participated in the club some on a regular basis and at least 7 students went to training sessions with Watford Harriers. In addition 3 students joined Watford Harriers representing them in club competitions.

This award is recognition of the hard work Brenton (Watford Harriers) and his coaching team, Matt, Louise, Clyde and Carl put into supporting the students of Bushey Meads, and the commitment of the Bushey Meads students.

Receiving the award on behalf of Bushey Meads were Megan and Ben two students in year 9 who really developed their athletics skills last summer and who through the satellite club joined Watford Harriers. They were presented the award along with Vaughan Taylor vice president of Watford Harriers by the Mayor of Hertsmere, Cllr Martin Worster.

After the presentation students engaged in an indoor athletics session where they practiced and developed a range of athletics skills. The satellite club will begin again in February and we look forward to seeing all those who took part last year as well as whole lot of new faces.

How to get into the top Universities

by Mrs Ash, Assistant Headteacher

On Tuesday 3rd November a group of 38 Year 10 and 12 students visited Central Hall in Westminster for a PiXL conference on “How to get into the top universities”. The students were given advice on what they needed to do above and beyond achieving outstanding results at GCSE and A level in order to gain a place at the renowned “Russell Group” universities.

‘It gave us a wider understanding of what is required to get into the top universities and what steps we should already be taking.’

Bushey Meads School looks forward to welcoming its Governing Body

By Hilary Morawska, Deputy Head

Following on from our highly successful Governors' Day, last year, we are very excited as we prepare for this year's event. On Tuesday, 17th November, our hard-working and dedicated governors, whose support for the school is often actioned behind the scenes, will join our staff and students for the day. They have a busy schedule ahead of them and although they will have a wonderful day at our school, they will be busy collecting information which will form a report to the Executive Principal. I will write more, next week, about the event. In advance, we thank our Governors for their commitment to our school.

Sixth Form Open Evening

By Mrs Ash, Assistant Headteacher

MRS ASH, ASSISTANT HEADTEACHER

Tuesday 10th November was our Sixth Form Open Evening with Year 11 students from Bushey Meads and external students looking around and learning what packages we offer. The evening was very well attended with many positive comments from parents and students about what we offer at Bushey Meads School.

Player of the Match : Francis T - Good movement on court.

LRC News

We would like to introduce ourselves and welcome everyone to the LRC. We are Mrs Ellicott and Mrs McCombe and we run the **Homework Club** in the LRC after school to support students with their homework tasks. We have both worked at Bushey Meads School for over 10 years supporting in the classroom in a variety of subjects.

The aim of this club is to improve the quality of homework by giving support to all our students. In the LRC, students have access to all the up to date resources. We have a variety of books as well as a selection of age appropriate magazines/newspapers that are very popular so there is something for everyone. Any type of reading will help build literacy skills and foster a lifelong love of books/reading.

We believe it's important to make the LRC a special place for young students and teenagers. By encouraging your children to read for pleasure you will be building a love of learning and show that learning is a lifelong process.

We look forward to seeing you all.

Opening Times

Monday to Thursday 3:05 - 4:20
Friday 3:05 - 3:50

Student thoughts on the Homework Club

*"I like homework club because it has lovely kind staff such as Mrs McCombe and Mrs Ellicott. It provides a range of books for every subject also you can access the computers which helps a lot because you can check your homework, do online work and print things out. I go there near enough every day and it's helpful because when I've finished my homework at the club I can go home and not worry about handing it in late! That's why I love homework club". By **Bobbi-Rose Brindley year 7***

"Homework Club has a friendly environment which helps you work, if you are struggling someone else who knows how to help will try and help you. I helped someone who was not sure what to do when they were coding and I have been helped by a few people when I was struggling with my work.

*In Homework Club you can work alone or in groups and if you ever need help there are always other people or teachers to help. If you're struggling you can ask Mrs McCombe or Mrs Ellicott. If you have finished all your homework then there's literally a library of books to read"! By **Thomas Phillips and Thomas Rodrigues year 7.***

"Homework club has a calm friendly atmosphere where we help one another to complete home learning tasks with our friends for up to an hour. It's up to you! Along with learning there's lots of opportunities to catch up on school work and to top it it's absolutely free!

*There are also plenty of chances for you to catch up on reading your favourite book. Mrs McCombe or Mrs Ellicott (The assistants who run it) offer plenty of help towards activities and encourage using the LRCs resources to help you finish tasks to your best ability. By **Reggie Taylor Year 7.***

*"I think the LRC is a great place to relax and read books. The environment there is perfect for studying. The teachers there are really helpful and they give you excellent support if you are struggling with something. The staff there such as Mrs McCombe or Mrs Ellicott ensure that you are safe, happy and have caught up with your homework. If you have finished your homework there are still things for you to do, like read a book. There are a wonderful selection of books from comic books, manga books, to fantastic fiction and nonfiction books. You'll always have something to do"! By **Shantae Plummer Year 7.***

*"Homework Club offers a friendly and helpful environment in which to complete homework. Getting work done in the library not only means teachers are available to offer guidance and there is computer access, but it takes pressure off of having to do all your homework at home".By **Ben and Dena Nunes Year 13 and Year 10.***

*"The LRC has been a wonderful place for me to study. The new study room is calm and quiet and, for an older student, it means I can get my work done to the best standard with lots of support from caring teachers and staff if I need it. During lunchtime it's great for revision or reading with friends and after school it's good for doing homework in a tranquil environment. It's a brilliant addition to the library"! By **Amira Izhar Year 11***

*"It's a nice quiet place, suitable for good learning and supportive help. It has helped me a lot over the past and still does now. Everyone there is friendly and helpful and it's just a nice quiet place to get your homework done".By **AmySue Sjollema Year 8.***

High Achiever Awards – first half of Autumn Term

Last year the school introduced a special new award for students called a High Achiever Award. Throughout the year, every half term, each faculty is asked to nominate one student from each year group to receive a High Achiever Award based on the student's work, effort, attitude and achievements made throughout the previous half term.

Each student who receives a High Achiever Award will have their name published in the weekly newsletter, and a copy of their certificate displayed on High Achiever noticeboards which are placed in prominent places around the school site. They will also will receive a letter of recognition from the school and their certificate is posted home to their parents.
